Reflection for the week Often the dream that won't let go of you, and the challenge that consumes you, is God '**willing and working**' in you. If you have the faith to answer His call you'll achieve things you never thought possible. When someone is pursuing their dream they'll go far beyond what seems to be their limitations. The potential that exists within us is limitless and largely untapped... '**With God nothing will be impossible**' Luke 1:37. This isn't just a nice sentiment, it's the absolute truth!
