Last year Hillsborough Parish helped East Belfast Mission with their Neighbours in Need Christmas hamper project. Over 365 hampers were distributed to vulnerable families in East Belfast and throughout the city – almost double the number of hampers as the year before. With the effects of the financial downturn impacting local families more than ever, this year the number of hamper requests is expected to grow. If you would like to respond to the real dilemmas facing families and individuals in the wider community, please pick up a leaflet as you leave church. Donations of non-perishable food, vouchers or money are all welcome, in the porch or church office, until 20<sup>th</sup> November. If you are able to help with making up the hampers at East Belfast Mission on Saturday 26th November, please sign the list in the porch or contact Kathryn Baird on 07715476242 or 92 683242. Last year hampers were described as “lifelines” by some of the people who received them and again this Christmas we can work to lessen the financial stress, hunger and isolation felt by many vulnerable individuals and families.

## Collect for the Second Sunday before Advent

Heavenly Father, whose blessed Son was revealed to destroy the works of the devil and to make us the children of God and heirs of eternal life: Grant that we, having this hope, may purify ourselves even as he is pure; that when he shall appear in power and great glory, we may be made like him in his eternal and glorious kingdom; where he is alive and reigns with you and the Holy Spirit, one God, now and for ever.

Reflection for the week ' Love Each Other-It's That Simple!'Do nothing from selfishness or empty conceit, but with humility of mind let each of you regard one another as more important than yourself...look out...for the interests of others' (Philippians 2:3-4 ) In other words, think about the other person ...Don't be selfish. Sounds like something a teacher might say to a roomful of nursery children...yet how many adult problems could be solved if that was the driving force in our relationships. - ( UCB- The Word for Today)
